### About Me

As a dedicated and creative graphic design student with a background in business administration, I bring a unique blend of design thinking and strategic insight to my work. I'm passionate about transforming ideas into visual stories that connect and engage audiences. Throughout my academic journey and hands-on projects, I have developed skills in digital design, branding, and visual communication, and I am always eager to learn new techniques and tools. I thrive in collaborative environments and look forward to contributing my skills in a team-oriented role, where I can continue to grow as a designer and make a meaningful impact.
